

Farewell Programme on 29th June 2024

The Department of Botany organized a warm and heartfelt Farewell Programme to bid adieu to the outgoing students of the 2021–2024 batch. The event was held on 29th June 2024 at the department, and was attended by the teaching and non-teaching staff of the department along with students from various semesters.

The programme commenced with a welcome address by Dr. Ruby Doley, Head of the Department, who extended best wishes to the outgoing students and appreciated their contributions during their time at the college. Faculty members also shared their thoughts, expressing pride in the academic and extracurricular achievements of the batch and encouraging the students to pursue their future goals with confidence and integrity.

The juniors (students of the 2nd and 4th semesters) organized a series of cultural performances, including songs, dances, poetry recitations, and a few entertaining games, creating a lively and nostalgic atmosphere. They also presented mementos and hand-made tokens of appreciation to their seniors as a gesture of love and remembrance.

Representatives from the outgoing batch shared their experiences, expressing gratitude to the teachers for their guidance and support throughout their academic journey. They also shared memorable moments and encouraged their juniors to make the most of their time in college.

The event concluded with a group photo session and refreshments, marking the end of a day filled with emotions, laughter, and fond memories.

The Department of Botany extends its heartfelt wishes to the Batch of 2021–2024 for a bright and successful future.
