

Freshers' Meet on 13th September 2024

The Department of Botany successfully organized a Freshers' Meet on 13th September 2024 to welcome the newly admitted students of the academic year 2024–25. The event was held in the departmental seminar hall and witnessed enthusiastic participation from both freshers and senior students.

The programme commenced at 11:00 AM with a warm welcome speech delivered by Dr. Ruby Doley, Head of the Department. She highlighted the rich legacy of the department, its academic environment, and the importance of active participation in both curricular and co-curricular activities. This was followed by a short introductory session where the freshers shared a few words about themselves, helping everyone get acquainted in an informal and friendly atmosphere.

Senior students organized a vibrant cultural programme, which included songs, dance performances, poetry recitations, and a short skit on student life. The performances brought much joy and laughter, making the event lively and engaging.

In addition, interactive games and ice-breaking sessions were conducted to foster camaraderie and teamwork among the students. Refreshments were served during the event, adding to the celebratory mood.

The event concluded with a vote of thanks delivered by Ms. Tanisha, a student representative, who expressed gratitude to the faculty and organizing committee for their efforts in making the programme a grand success.

Overall, the Freshers' Meet 2024 created a welcoming and cheerful environment for the newcomers and strengthened the bond within the department.
