

**Power Seminar on Start Up Avenues organised by ICT Academy in collaboration with Career Counseling Cell, North Gauhati College: 30.10.23**

An online power seminar on the topic of how to establish start-up ventures was organised by ICT Academy in collaboration with Career Counseling Cell, North Gauhati College on 30.10.23. The speaker of the session was Mr. Prashanth Ganesh, Chief Operations Officer, Preskale, Coimbatore. The inaugural address for the session was delivered by Dr. Dilip Das, Principal, North Gauhati College. Mr. Subhash Upadhyay, State Head, North East, ICT Academy stated the long association that their institute has with North Gauhati College and highlighted the various services that ICT Academy has provided throughout the years. The speaker Mr. Ganesh emphasised on different start up opportunities that one can pursue to make it their own successful enterprise. He focussed on the need of the originality of one's idea and working on it with hard work, patience and confidence. The moderator of the session Mr. Shashank Medhi of ICT Academy conducted the question and answer session where the speaker took up several questions from the students as well as faculty members. The welcome note and vote of thanks was given by Dr. Sanghamitra Sarma, Convenor of the Career Counseling Cell.
