

Report on Entrepreneurship Awareness Program
Organized by TRTC Guwahati
In Association with IIC & IQAC North Gauhati College
Supported By: DC MSME, New Delhi

Date: 25.11.2025 (Wednesday), Time: 12.00 PM onwards
Venue: Smart Classroom, North Gauhati College
Attendees: 80 Nos of Students and 6 Faculty of North Gauhati College

A one-day workshop on Entrepreneurship Awareness was successfully conducted at North Gauhati College on November 25, 2025. The initiative aimed to bridge the gap between academic learning and industrial application, providing students with the foundational knowledge required to navigate the startup ecosystem.

The program featured distinguished speakers who provided a blend of financial, technical, and practical insights into the world of business.

- **Financial Literacy & Banking Support:** Mr. Dharmendra Singh, Lead District Manager of UCO Bank, delivered a special talk focusing on the financial aspects of starting a venture. He detailed various government schemes, credit facilities, and the pivotal role banks play in supporting budding entrepreneurs.

- **Skill Development & Opportunities:** Mr. Kamaljit Baishya, Skill Development Training Coordinator at TRTC Guwahati, emphasized the importance of specialized training. He highlighted how technical proficiency and vocational skills are essential "building blocks" for sustainable entrepreneurship.
- **Technical Showcase (3D Printing):** In a highly interactive segment, Mr. Paras Sarma conducted a live demonstration of 3D printing technology. This session allowed students to witness the transition from a digital design to a physical prototype, illustrating the future of manufacturing and rapid prototyping.

Following the technical sessions, a significant segment of the program was dedicated to recognizing the achievements of students who had recently completed their professional internships. Certificates of Internships were distributed to students who successfully finished their training programs with NIELIT Guwahati & TRTC Guwahati. The certificates were distributed by Dr. Runumi Devi, Vice Principal, North Gauhati College. These internships provided students with hands-on industry experience, and the distribution ceremony served as an acknowledgment of their hard work and readiness for the professional world.
