Guidelines for Institutional Research Proposal North Gauhati College

North Gauhati College, Assam is pleased to invite intra-institutional research proposals from its Basic Science and Humanities Departments with the aim to stimulate research temperament within the college as well as providing the foundations for research that would uplift and fortify the socio-cultural, economic and scientific nuances of its immediate society.

Purpose: The research should have novelty and functionality.

Broad Areas of Research:

- Enhancement of fisheries, agriculture and sericulture practices for sustainable productivity.
- Improvement in education in science and humanities through innovative, interdisciplinary and inclusive approaches.
- Utilization of indigenous knowledge and local resources to develop small-scale and cottage industries.
- Environmental studies focusing on biodiversity conservation, climate change adaptation and mitigation, and sustainable development practices.
- Promotion of health and family welfare, including education, livelihood, inequality and access to basic services.
- Gender studies focusing on women's empowerment, gender equality, access to resources, and participation in socio-economic development.
- Applicability of Indian knowledge system (IKS) in contemporary contexts.
- Promotion of mental health and psychological well-being through awareness, education, counselling and community based approaches.
- Stress management focusing on prevention, coping strategies, lifestyle interventions and overall well-being.
- Other related matters

Duration: 12 months
