Mission:

The college has embarked on a mission of making Higher Education accessible and affordable for the people of North Guwahati and its neighbouring areas. By providing quality education, skill-based education and vocational training to the youth, the college aims at fostering economic growth in the region. Besides enhancing its students' chances at employability, the college works with a mission of inducing inclusive social growth which entails aspects like making proper health care, women's empowerment, environmental sustainability and good governance achievable in North Guwahati and its adjacent areas. Not only does the college steer its students towards obtaining academic and professional degrees, but also stresses on all round development of students – physical, intellectual, moral and spiritual development.

Vision:

The education system has undergone massive revamping in the recent times, concentrating more on learner-centric education. To keep pace with the changing times, North Gauhati College envisages making education inclusive and dynamic in such a way that it caters to the diverse needs of the learners. It is the vision of the college to facilitate all-round development of the students. In order to do so, the college places adequate focus not only on academic pursuits, but also on co-curricular activities and skill development.

A BRIEF HISTORY...

North Guwahati is situated on the northern bank of the river Brahmaputra, just opposite to the city of Guwahati. This ancient capital town of ancient rulers of Kamrup also enjoys the privilege of being the birth place of some erudite scholars of Assam like Anundoram Barooah, Karmabeer Nabin Chandra Bordoloi, Bolinarayan Borah, Col. Shivram Borah, Lakshiram Baruah and many others. Also known as the 'Temple Town' of Assam, it houses important sites of pilgrimage such as Ashwaktanta, Dirgheswari, Manikarneswar, Rudreswar Devalaya, Doul Govinda Mandir, Auniati Satra etc.

4th September, 1962 was an important date in the history of North Guwahati. The day saw the establishment of North Gauhati College, the first and only institution of Higher Education catering to greater North Kamrup (Old Kamrup District). A group of young educated youths under the leadership of Sri Manindra Kumar Barooah gave shape to the initiative of establishing a College in the locality. Amidst the applause of a jubilant crowd, the inaugural function was held at the premises of AKI, North Guwahati on 4th September, 1962, which was graced by the presence of Sri Devkanta Barooah, the then Education Minister, Assam.

Sri Kokil Bezbaruah headed the institution as the first Principal In-Charge of North Gauhati College, mentoring student strength of only 35. Prior to joining North Gauhati College, Sri Bezbaruah was working in the History Department, Pragiyotish College. On 4th of September, 1963 North Gauhati College celebrated its 1st Freshmen Social, and the meeting was presided over by the then Vice Chancellor of Gauhati University, Dr. H.J. Taylor. Following this, on 24th of November, 1963 Sri Devkanta Barooah laid the foundation stone of the College in the present location.

Sheer hard work of a group of young educated youth, love and faith of the people, along with the donations received from the people led to the well being and prosperity of the institution. Eminent persons like Sri Suresh Rajkhowa and Dr. Heramba Kanta Borpujari inspected the College and expressed satisfaction on the growth rate of the newly established College. In 1965, Sri Manindra Kr. Barooah took over the charge as Principal from Sri Kokil Bezbaruah. He was followed by Sri Bhaba Kanta Sarma, Sri Dharendra Nath Kalita, Dr. Bhriugu Mohan Goswami, Hasmata Ali, Dr. Sarbananda Das and Dr. Sandhya Das, who discharged their duties successfully as principals of the College.

The Science stream was introduced on 20th August, 1979 and special initiative was taken by Sri Lakshyadhar Choudhury, who was then the Education Minister of the state. At present the college possesses a very active NCC wing which has brought accolades to the Institution. The wing started way back in 1964 with Sri Dharendra Nath Kalita as the Officer In-charge. The NSS wing started functioning from the year 1977. In 1980 the women's wing of NCC was introduced, and Dr. Sandhya Das was appointed the 1st Officer In-charge.

Students have also brought laurels to the College in the field of sports and culture. Besides these achievements, the College has successfully held UGC sponsored national seminars where many internationally acclaimed eminent scholars deliberated.

Buses and four wheelers (both private and public transportation) ply via Amingaon and Gauripur routes to North Guwahati. Water transport like ferry and bhutbhuti (engine boat) commute regularly from 6 am to 8 pm, connecting Guwahati to North Guwahati.

After taking up charge as the Principal of North Gauhati College on 13-01-2012, preparations for the celebration of Golden Jubilee started, and the events concluded successfully in the month of January, 2013. At the initial stage of my tenure, some major infrastructural developmental schemes were under consideration either for new construction or repairing. Amongst these schemes were the New Academic Building, Social Science Building, Science Building, Administrative Schools, Entrance Gate, Library building, Auditorium, Girls' Common Room, Drinking Water Project, Indoor Stadium, Playground, Women's Hostel, Campus Wall etc. Over the period of my tenure, some of these infrastructural schemes have been successfully implemented, and have come up after suitable mobilisation of available funds.

Higher Education today faces many challenges, and the college has geared itself up to face such challenges. I would, therefore, like to call upon my colleagues, students and also the guardians to come forward and work as a team for the welfare of the institution. With this, I welcome the newcomers to this college and hope that their sincere efforts will bring laurels to the college in the days to come.

- (i) Tourism and Hospitality Management
- (ii) Beauty Therapy and Aesthetics (It may be mentioned herein that North Gauhati College is the only college under G.U. to offer this course).

The B.Voc Degree is recognised by UGC and is affiliated to Gauhati University. A special feature of the course is that there are multiple exit points, which facilitates a student to leave the course at the end of the first year with a Diploma. Similarly, if someone leaves after two years s/he will get an Advance Diploma and those who complete three years will get the B.Voc Degree. The course has earned wide popularity among students in view of the fact that the central and the state government have laid much emphasis on skills development in their recent policies.

The college has a separate campus for B. Voc. with well equipped class rooms, lab facility for Beauty Therapy and a computer lab.

The placement records of students pursuing this course have been quite satisfactory. Though the first batch is yet to complete the three year course, three students have already been absorbed by Hotels and Trade Agencies as the students have availed of the opportunity of multiple exits. It may be mentioned that Radisson Blu, a five star hotel, has recruited one of the students in the position of a Staff Member.

The departments have trained and qualified faculty members appointed both on regular and part time basis. Tourism and Hospitality department has Radisson Blu, Shivani Aviates, GNRC as industry partners and Beauty Therapy department is in partnership with Imagic Beauty Clinic and Training Institute, Guwahati.

Students of such categories will have to produce certificate from the competent authority. 10 seats are reserved for students having records of outstanding performance in the extracurricular activities like sports, culture, NCC and others both in H.S 1st year and TDC 1st Semester respectively. Employee quota provision is also applicable for admission. Requisite documents have to be submitted by the students along with the application form.

GENERAL RULES:

Great emphasis is laid on discipline and character building. Students are expected to maintain a high standard of discipline. There is a Discipline Committee to look into such matters. The students admitted to the college must abide by all rules and regulations as prescribed by the college authority. Violation of rules, unsatisfactory progress in academics, irregular attendance, irregular clearance of college dues, showing discourtesy to the teacher's and the staff in any forms adoption of unfair means during examination etc. are some of the offences which may lead to termination of scholarships and even expulsion from the college. Any form of ragging in the college

campus is strictly prohibited. Strong disciplinary action as mentioned above may be taken if anyone is found to be involved directly or indirectly in ragging. The courses of study in the College are full time courses. No students can take any other full time course simultaneously in and outside the institution. Students' societies and associations shall have to abide by the rules and regulations prescribed by the college administration. Only those societies and associations recognized by the Head of the Institution shall have the facilities of the college premises. Any notice desired to be circulated by the students anywhere in the college will need the prior approval of the college authority. Power of maintaining discipline is vested on a Discipline Committee constituted by the Principal of the college. The decision of the Committee shall be final in all matters. Tobacco, alcohol and any other kind of substance abuse in any form is prohibited in the campus. Wearing of uniform and carrying of the identity card in the college campus by the students is mandatory.

Examination Rules:

The Examination Cell of the college conducts all examinations. The cell follows the guidelines received from Gauhati University for Undergraduate courses and Assam Higher Secondary Education Council for Higher Secondary courses. It strictly adheres to college examination and promotion rules.

Orientation Programme:

The Head of the Institution addresses the students in the Orientation Programme held on the first day of the academic calendar. The departments also hold briefing sessions with their Major students to acquaint them to the subject and to the Department as a whole.

LIBRARY

The North Gauhati College Library is rapidly growing up to be one of the leading regional level academic libraries in the north bank of Brahmaputra. The library was established way back in 1962. There are separate reading rooms for students and teachers. The documents in the library are well arranged. The library is well equipped with a good number of text books, reference materials, xerox facilities, internet with fully open access facilities automated with the help of library oriented software SOUL 2.08 (software for university library) network version. All bibliographic details of books, journals and CDROM databases are accessible through the computer. It has a good number of journals (National and International) and magazines. Besides these, the different national and local newspapers (daily and weekly) are available to the user community. North Gauhati College library adequately caters to the needs of the students and teaching community. It provides a conducive environment for intellectual enquiry by providing user focused services to obtain and access scholarly information and knowledge. The library remains open from 10 a.m to 4 p.m on all working days. It offers essential and specialized information, resources and services to meet the growing information needs by-

- Developing user based resources
- Organizing information resources
- Providing human and technology moderated access to information
- Facilitating users to identify, locate, obtain and access information

Every department has its own library where sufficient numbers of books related to the courses of study are available.

Services

The main service in the college library is book lending. The books and journals are purchased as per the requirement of the students and teachers. Basically the following services are provided to the users of the North Gauhati College Library -

- ❑ Lending service
- ❑ Library orientation
- ❑ Bibliographic instruction
- ❑ Assistance in the searching documents or understanding of reference books etc.
- ❑ Reader's advisory service
- ❑ Provision of general or specific information
- ❑ Inter-library loan
- ❑ Reservation of documents
- ❑ Reprographic service

Besides these services, North Gauhati College Library has recently introduced the NList and Internet facilities.

The library staff assists the students in locating books and reference materials.

Feedback from its users

The library has a feedback form for its users where they can give their suggestions or opinions for the improvement of the library resources which is analyzed by the committee headed by the principal in the library committee meeting.
